Workshops

How does it work?

- Exciting, interactive workshops leading pupils from codebreaking to creative writing, using an award-winning scaffolded approach developed by the Stephen Spender Trust
- Unlock language skills, broaden horizons, and inspire a curiosity and love of language learning and reading!
- Themed workshops link well with history, geography, RE, music and art topics
- No prior knowledge needed for any of the languages. Workshops can be adapted for children who speak other languages at home and EAL learners
- See previous page for price list. Email us for more info or to book: WorldKidLit@gmail.com
